

Register your new address!

If you are one of the new citizens in Aarhus, be sure to register your new address within 14 days after you have moved.

You are obliged to inform the National Registration of your new address when you move. If you register too late the movement triggers a fine of 500 Dkr.

How do I move?

You must report your new address online at

All you need is your NemID and your new address.

You must report your move within 14 days after you have moved, but you can do it earlier. You can register your new address up to one month before you move.

If you need help to order NemID or to use the digital self service solutions, you can contact The Digital Hotline, 70 20 00 00.

You can also get help at your local library or at the Citizens Services, 89 40 22 22.

By the way...

Come join the festivities for international citizens at 'The Aarhus City Welcome' at Dokk1. And remember this year's Study Exhibition at Aarhus University for new students.
